## MARTHA'S HOUSE NEWS

We trust everyone had a blessed and joyful Christmas. It seemed to come and go so quickly! We're happy to report we have been busy since our last newsletter. Our sale of the Lucinda Pins at the Precious Blood of Christ Arts and Crafts Festival was a great success with a profit of over \$800. It was also a blessing to share the vision of Martha's House with so many people in the community.

We had a wonderful luncheon and fashion show at The Lakes at Litchfield on October 26th. Even with a rainy day and a couple of sick models we still had a fun day and raised over \$1,500. We are very grateful to those who provided us with door prizes for this event. You will find a list of the contributors on the back of this page. We thank each one of them for their help in making this year's luncheon and fashion show such a success. Of course, we can't thank them without also thanking The Lakes at Litchfield for always hosting this event, the chef for the wonderful lunch, the models who always do such a great job and Affordables for providing those beautiful fashions.

To finish off October we were proud to have our first graduate from Hebron Grace Home. We sponsored a lady who finished this Christian drug and alcohol program on October 31st and we are happy to report she is still doing well. We hope to send another lady in January. We are very thankful to those of you who contribute specifically to New Beginnings, the part of Martha's House that allows us to send these ladies to other Christian facilities until Martha's House is open.

This month was blessed with the event of the Inmate Fellowship Angel Tree. Martha's House is always happy to be a part of the Christmas party and gift giving to the children of incarcerated parents. We thank everyone who contributed gifts or the money to purchase gifts to put smiles on the faces of the little children there. Through our New Beginnings account we are able to provide Bibles or Christmas story books to each child. Thank you for making that possible.

Finally, due to the future move of Eggs Up Grill we have moved our monthly board meetings to The Lakes at Litchfield Executive Dining Room. We are very grateful for their gracious support of Martha's House.
